SIR,

With reference to Government of India Memorandum No. 13470 dated the 18th June, 1897, enquiring whether the formation of a municipality at Palhully is necessary, I have the honor to state that, while almost all the prominent men of the place are in favor of it, some of the illiterate are opposed to the measure on account of additional taxation. Palhully contains 393 houses and has a population of 2,268. The annual income at present is rupees 306 " 4 " 0. The Amildar of Seringapatam and the Sub division officer of French Rocks strongly recommend that Palhully might with advantage be made a municipal town, and I support them in their opinion in the interests of the inhabitants of the village.

French Rocks Sub. Dn. Officers' order no. 217/250 dt 29th June 97. (Ser: no 1)

In serial no the Amildr of the Seringapatam Taluk was asked by the Sub-Divisn officer to submit a report in consultation with the leading inhabitants of Palhally village and the DRA member thereof as to the necessity or otherwise for the formation of a municipality in that village.

(Ser: nos: 2, 3, & 4)

2 In pursuance of that order the Amildar issued a notice demanding the attendance of all the ~~mem~~ of the village at the Taluk Cutcherry on 6th July 1897. when those present confirmed the statement made in a Mahazar taken by the Sheristdar while serving the notice, that a municipality at Palhally is quite necessary and

prayed for the formation
~~[illegible]~~ on the grounds :- that Pathully
is an important village with
a population of 2268 inhabitants
(2) that good health is all
important for a ryot to
enable him to do his work
and (3) that the absence
of a municipality there has
given room for frequent out-
break of Cholera and other
infectious diseases

3 The Amildar thereupon submitted his report representing the above circumstances and recommending the formation of a municipality

Amil's report no 4 dated 12th July 1897 (Ser. no 1)

4 On 7th July 1897 Mare Gowda and others petitioned the Amildar objecting to the proposed formation of a municipality and stating that the Shenbogs omitted to ascertain the attendance of all the respectable men of the village at a place and

to ask them opinion before
taking Mahargan. They prayed
that it will be granted in person to have
~~that~~ a new mahargan ~~to be ordered~~ to be obtained
in the presence and with the
signatures of all the leading
persons of the village.

Amil's report no 7/18 dy (Ser. no 6)

5 In reporting on this petition
the Amildar stated that as
many of the respectable
men of the village including
the Shanbogh were in favour
of a municipality being formed
the same might be ordered,
and that they could with reasonable
profits bear the expenses of it.

Sub Dy officer's order no 13/21 dated 18th July 1893 (Ser. no 6)

6 Thereupon the sub-Dy
officer called for information
on the following points:-

(1) The total number of
houses in the village.

(2) The total collection in
~~the~~ during land revenue

(3) The total amount of Mohatarfa
annually collected
as per Rev. Rule

(4) Probable Mohatarfa
collection in case a municipality
is established, and

(5) Out of the total popu
lation of

of 2268, the respective number of persons for and against the proposal. The Amildar was further asked to secure the attendance of Mari Gowden and others who objected to the proposal.

7. On 12th August 1897, Venkata Krishnappah, member of the D.B. Assembly presented a petition to the Amildar of Seringapatam Taluk praying for the establishment of a Municipality at Pathally and stating (1) that the majority of the villagers are in favour of the proposal (2) that they are all wealthy and educated and (3) that those who objected to the proposal did so at the instigation of certain persons of the village who are prejudiced against Govt as the introduction of Agricultural Bank fund

Venkata Krishnappa's petition dy 12th Aug: 1897 (Ser: no 11)

just an end to their main source of income He suggest that under such circumstance the opinion of the majority might be confirmed

Amin's report No 50 dated 13th August 1897 (Sen. No 12)

8 The Amildar submitted the above petition to the Sub-Division officer and reported as follows:-

(1) Pathally village contains 393 houses

(2) The total amount of income is Rs 8436-4-6

(3) Present Mohaturfa collection amounts to Rs 306-4-

Noble authorities estimate the probable collection after the formation of the municipality at Rs 600/- Rest Rs 2600/- may be taken as the reasonable estimate of the probable collect Mohaturfa

(4) The village contains a population of 2268 inhabit 69 respectable man

including Venkata Krishnama/Pal and others are in favour of the proposal. Eight to numbers 73 are against it. Hence presume that the formation of a municipality will suit them into service convenience. ~~[illegible]~~

of The President in submitting to Govt his report no 449 dated 19th Oct 1897 states that the Amildar and the Sub. Dy officer strongly recommend that Pathalli might with advantage be made a municipal town and that the support them in their opinion in the interests of the inhabitants of the village.
